

HEARTFELT THANKS FOR YOUR SUPPORT OF THE
HOLY FAMILY EASTER BASKET PROJECT

In the diocesan plan for pastoral action there are three pillars that we, as a parish, are asked to live out. Your generous participation in the Easter Basket Project was a true reflection of Holy Family answering the call to Discipleship, Evangelization and Charity.

If Discipleship is about living our lives generously in a joyful manner, then it was witnessed in the overwhelming response of giving and the joyful atmosphere of parishioners filling over 400 baskets.

If Evangelization is bringing Good News through our lives, surely the actions of so many parishioners helping so many organizations in our community was a witness to that.

Of course most evident was fulfilling the call to charity for seven area agencies that were overwhelmed by your spirit of giving. Through the generosity of your time, talent and treasure, you have touched the lives of many needy children with God's love. We thank you for the part you played in bringing those little ones some special Easter joy.

"Whoever is generous to the poor lends to the Lord, and he will repay them for their deed."
