

My dearest Holy Family People,  
YOU are the most welcoming and kind people of God! Fr. Dennis, Fr. Tom, and all of you, really touched my heart by your openness and love of JESUS. Thank you so very much for your wonderful love and support for the poorest of the poor. All our people in Kenya and Ethiopia and myself are thanking you with our prayers and love. Please keep in touch with us and we will let you know how we are doing and you can let us know how you are doing. We are one FAMILY OF JESUS. All of us are brothers and sisters. My email is: **fathertedh@att.net**

Your brother, Fr. Ted
